

BESSEMER GEOCACHE DASH

List of Caches (in random order)

NOTE: Co-ordinates give are in degree, decimal minute format (N46*, xx.xxx')

If your device requires decimal degree format (N46.xxxxxx*), conversion will be needed.

Converters are available online.

#1 W 90 Degrees – Mosinee Grade

N46* 21.712' W090* 00.000'

One of 5 geocaches all lined up exactly north and south of each other along the W90 degree longitude line. This hide is this years challenging one. MAYBE you will want a truck or ATV or at least an SUV.

#2 On Toppa Keystone

N46* 28.418' W090* 00.117'

Cant see the bridge from here, but a nice view none the less.

#3 W 90 Degrees – Near Blackjack

N46* 29.953' W090* 00.000'

One of 5 geocaches all lined up exactly north and south of each other along the W90 degree longitude line.

#4 McDonald Dam

N46* 23.440' W090* 00.822'

Let's revisit (from 9 years ago) this wonderful recreational opportunity and beautiful hidden gem.

#5 W 90 Degrees – South of Ramsay

N46* 26.473' W090* 00.000'

One of 5 geocaches all lined up exactly north and south of each other along the W90 degree longitude line.

#6 Creepy Old Tunnel

N46* 28.363' W090* 01.237'

SURVEY – will you go through it or around it? Please write your answer on your entry card.

#7 Bluff Valley Park

N46* 29.112' W090* 03.335'

Stairs are a good start to a hike through the woods, but where does it lead?

#8 Memory Lane

N46* 28.853' W090* 01.715'

Because some memories never die, unlike the nearby birch trees... Chaga anyone?

#9 W 90 Degrees - Ramsay Park

N46* 28.368' W090* 00.000'

One of 5 geocaches all lined up exactly north and south of each other along the W90 degree longitude line.

#10 YALE

N46* 28.040' W090* 04.167'

Enjoy the soothing sounds of powdermill creek mixed in with the racket of the plywood plant.

#11 North Bessemer

N46* 32.490' W090* 03.153'

Something about this Cache

#12 Powdermill Creek Falls

N46* 30.362' W090* 04.922'

Let's revisit (from 10 years ago) this beautiful hidden gem of a falls. Boy how things have grown over.

#13 W 90 Degrees – Sanders Road

N46* 28.863' W090* 00.000'

One of 5 geocaches all lined up exactly north and south of each other along the W90 degree longitude line.
